REPORT ON THE FIELD VISIT

Name of the Company: Safetab Life Science, Puducherry.

Date: 05.08.2022

Total Participant(s): 59

Event Report:

On 05.08.2022, a group of 59 enthusiastic Pharmacy Students from JKK Munirajah Institute of Health Sciences College of Pharmacy, embarked on an insightful field visit to Safetab Lifesciences Pvt. Ltd. The company, a prominent player in the Pharmaceutical Industry, provided students with a valuable opportunity to witness the practical aspects of Pharmaceutical Production. V. Dhanabal, a seasoned professional with qualifications including B.Pharm., DPM, DCA, and M. Pharm, graciously assumed the role of Senior General Manager - Production, guiding the students through the intricacies of the production process.

During the visit, Mr. Dhanabal elucidated on the cutting-edge equipment utilized within the industry, shedding light on their significance and functionality. His comprehensive explanation offered students a deeper understanding of the technological advancements that drive pharmaceutical manufacturing. A focal point of the visit was the demonstration of the Ointment Filling Machine, where Mr. V. Dhanabal provided a systematic elucidation of its operation. Students were able to witness first-hand the meticulous processes involved in pharmaceutical production and gained insights into the precision required in such a highly regulated field.

Moreover, the field visit allowed students to appreciate the importance of quality control and adherence to industry standards. The engagement with professionals like Mr. V. Dhanabal offered a unique blend of theoretical knowledge and practical wisdom, bridging the gap between classroom learning and real-world application. As the students departed Safetab Lifesciences Pvt. Ltd., they carried with them a richer understanding of the Pharmaceutical Production process and a renewed enthusiasm for their chosen field of study.
