DR. S. Selvaraj is a highly accomplished educator and pharmaceutical scientist with a strong commitment to fostering academic excellence and professional growth among students. Driven by a passion for teaching, he believes that laying a strong foundation in any discipline is key to both students and teachers' success. Leveraging advanced technology, he excels in igniting students' curiosity, encouraging them to continually update their knowledge, and facilitating their professional development.

With over 13 years and 6 months of teaching experience, DR. Selvaraj has played a pivotal role in shaping the future of pharmaceutical professionals. His journey in academia began as a Lecturer at Vasavi Jnana Peetha College of Pharmacy, Yesvanthpur, Bangalore, where he started in December 2002. He then continued to serve as an Assistant Professor at Cherran's College of Pharmacy, Coimbatore, from April 2009 to June 2013.

Following this, he assumed the role of Associate Professor at Sri K.V College of Pharmacy, Chickballapur, Karnataka, from June 2013 to August 2015. Currently, DR. Selvaraj holds the position of Vice Principal and Professor at JKK Munirajah Institute of Health Sciences College of Pharmacy in T.N. Palayam, Gobi, Erode, where he has been serving since September 2015. DR. Selvaraj's academic contributions extend to a wide range of subjects in pharmacy education, encompassing various levels of the curriculum, from B.Pharm to M.Pharm. His expertise covers subjects such as Pharmaceutics, Pharmaceutical Engineering, Pharmaceutical Dosage Forms, and Industrial Pharmacy, among others.

Thoosanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

In addition to his dedication to teaching, DR. Selvaraj has made significant contributions to pharmaceutical research. He has authored and co-authored numerous research papers, with a focus on drug delivery systems and pharmaceutical formulations. These publications have added valuable insights to the field and have contributed to the academic community's knowledge base.

Throughout his career, DR. Selvaraj has actively participated in seminars, conferences, and workshops related to pharmaceutical sciences. These engagements have further enriched his knowledge and enabled him to stay updated with the latest advancements in the field.

DR. Selvaraj holds a Ph.D. in Pharmaceutical Sciences from Madras Medical College, Chennai, awarded in April 2019. His educational qualifications also include a Master of Pharmacy (Pharmaceutics) degree with First Class with Distinction from Swamy Vivekananda College of Pharmacy, Thiruchengode, and a Bachelor of Pharmacy degree with First Class from Madras Medical College, Chennai. Additionally, he earned a Diploma in Pharmacy from Coimbatore Medical College in 1998.

As a registered pharmacist in the Tamilnadu State Pharmacy Council and a member of professional organizations like the Association of Pharmaceutical Teachers of India (APTI) and the Indian Pharmacy Graduate Association (IPGA), DR. Selvaraj is deeply committed to the advancement of the pharmacy profession and the growth of future pharmacists. His extensive teaching experience, research contributions, and unwavering dedication to student success make him a highly respected figure in the field of pharmaceutical education and research.

DR. J. Amutha Iswarya Devi is a highly qualified and experienced professional in the field of pharmacy and pharmaceutical chemistry. She holds a B. Pharm degree from The Tamilnadu DR. M.G.R. Medical University, Chennai, India, which she completed in 1997 with First Class honours.

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Her educational journey continued with an M. Pharm in Pharmaceutical Chemistry from the same university, achieved in 2010, again with First Class honours. She pursued her Ph.D. at Annamalai University, Chidambaram, India, specializing in Pharmacy, and received a "Highly Recommended" rating upon completing her doctoral studies in 2016.

DR. Iswarya Devi has a robust employment record in academia and research. Her current position is as an Associate Professor at Arulmigu Kalasalingam College of Pharmacy in Krishnankoil, where she has been working since June 2016. Prior to this role, she served as a Full-Time Research Scholar at Annamalai University from March 2013 to April 2016. She has also held positions as an Assistant Professor at Sankaralingam Bhuvanewari College of Pharmacy in Sivakasi (from October 2010 to March 2013), as well as an Assistant Professor and Lecturer at S. Chattanatha Karayalar College of Pharmacy in Tenkasi (from April 2010 to October 2010 and from March 2002 to June 2008, respectively). Additionally, she gained valuable experience as an Assistant Pharmacist at Al Jazeera Pharmacy, Al-Ain, U.A.E. (from July 1999 to August 2000) and as a Trainee Chemist at The Reward Pharmaceuticals in Chennai (from July 1998 to June 1999). She also worked as a Lecturer at Madras College of Pharmacy in Chennai (from March 1998 to June 1998).

DR. Iswarya Devi has an impressive publication record, with 25 papers published in refereed journals and 13 papers presented at conferences. Her research covers various aspects of pharmacy, pharmaceutical chemistry, and pharmacognosy, including studies on anti-inflammatory activity, phytochemical evaluation, antioxidant potential, and more. She has made significant contributions to the field of pharmaceutical sciences.

Furthermore, DR. Iswarya Devi has actively participated in national and international conferences, both as a presenter and as an organizing committee member. Her involvement in conferences reflects her commitment to the dissemination of scientific knowledge and her dedication to the advancement of pharmaceutical research and education.

DR. J. Amutha Iswarya Devi is a life member of the Tamilnadu Pharmacy Council and the Indian Pharmaceutical Association, demonstrating her ongoing commitment to her profession and her desire to stay updated with the latest developments in the field. Her research, teaching, and conference participation collectively highlight her expertise and dedication to the pharmaceutical and pharmacy domains, making her a valuable resource person in her field.

Event Description:

The "Intellectual Property Rights and Patents in Pharmaceutical Analysis" event, held on 06.10.2020, was an enlightening gathering dedicated to unravelling the complexities of intellectual property rights and patent issues within the realm of pharmaceutical analysis. This comprehensive program united professionals, researchers, and pharmaceutical analysts committed to safeguarding and navigating the intellectual property landscape in the pharmaceutical sector. Attendees, eager to explore this intricate intersection, benefited from a comprehensive program led by seasoned experts.

Program Outcome:

The program delivered several significant outcomes. Participants left with an enriched understanding of the intellectual property challenges and opportunities within pharmaceutical analysis, equipped with knowledge and strategies to protect and leverage innovations effectively. The insights shared by expert presenters provided practical guidance on patenting, licensing, and innovation in this specialized field. Furthermore, the event fostered networking and collaboration, forging connections that may lead to future ground-breaking discoveries and partnerships in pharmaceutical analysis. In summary, the "Intellectual Property Rights and Patents in Pharmaceutical Analysis" event left an enduring impact, empowering attendees with the knowledge and inspiration to excel in the dynamic intersection of science, innovation, and intellectual property protection within pharmaceutical analysis.
