## Department of Pharmacology

### **Seminar on Pharmacy Practice Research in the Digital age: Leveraging New Technologies and Methodologies**

#### **RESOURCE PERSON PROFILE**

**Dr. K. JAGAVEERAPANDI, Pharm. D.,**

**Clinical Pharmacist,**

**Apollo Hospital, Chennai.**

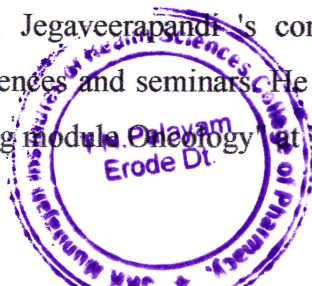

Dr. K. Jegaveerapandi is a dedicated clinical pharmacist with a Pharm. D (Doctor of Pharmacy) degree from Vels University, Chennai, Tamil Nadu, which he completed with a commendable 60% in 2016. His commitment to the field of healthcare began early, as he pursued his Higher Secondary education at Government Higher Secondary School in Vikkiramangalam, Madurai, Tamil Nadu, where he achieved a solid foundation with a score of 58% in 2009. Prior to that, he completed his High School education at the same institution, securing a notable 63% in 2007.

With a strong educational background, Dr. Jegaveerapandi embarked on his professional journey in the field of clinical pharmacy. He currently serves as a clinical pharmacist at Apollo Cancer Institute in Chennai, where he has been contributing his expertise for over ten months. His role involves crucial responsibilities in managing medication therapy for patients in a specialized healthcare setting.

Dr. Jegaveerapandi has also honed his skills and knowledge through various training programs and hands-on experiences in hospitals. He gained valuable experience during his one-year training at ESI Hospital, where he focused on General Medicine, Orthopedics, Surgery, and Gynecology.

In addition to his practical experience, Dr. Jegaveerapandi has actively engaged in research and projects related to pharmacy practice. Notable among his projects is his work on the "Drug utilization evaluation of proton pump inhibitor in different wards of a tertiary care hospital." He also conducted a "Retrospective observational study of potential Drug interactions in hospitalized rheumatic heart disease patients of a tertiary care hospital."

Dr. Jegaveerapandi's commitment to professional development is evident in his attendance at conferences and seminars. He participated in the "Pharmacy practice module advanced learning series-7 training module Oncology" at Vels University, Chennai, in August 2014.

Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Additionally, he attended an "International Seminar on Diet and Diabetes" at Sarah Tucker College, Tirunelveli, Tamil Nadu, in October 2014. This event was accredited by the Tamil Nadu DR. MGR Medical University, Chennai, showcasing his dedication to staying updated with the latest advancements in his field.

In terms of technical skills, Dr. Jegaveerapandi is well-versed in operating systems such as Windows 7, 8, and 10. He possesses proficient keyboard skills and is competent in using Microsoft Office tools, further enhancing his abilities in the clinical pharmacy domain.

Currently, DR. K. Jegaveerapandi continues his role as a clinical pharmacist at Apollo Hospital in Chennai, where he has been contributing his expertise and passion for healthcare since 2018. His educational achievements, practical experience, and dedication to professional development make him a valuable asset in the field of clinical pharmacy, benefiting both patients and healthcare institutions alike.

## REPORT ON THE SEMINAR

**Title:** Pharmacy Practice Research in the Digital Age: Leveraging New Technologies and Methodologies

**Date:** 30.05.2022

**Resource Person:** Dr. K. JAGAVEERAPANDI, Pharm.D.,

**Event Coordinator:** Mr. G. M. Sivakumar, M. Pharm.,

**Total Participant(s):** 87

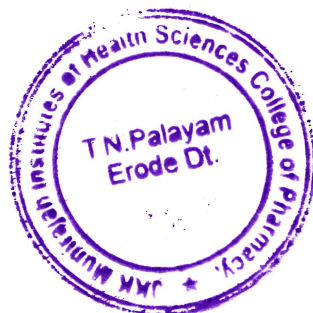

### Event Description:

The "Pharmacy Practice Research in the Digital Age: Leveraging New Technologies and Methodologies" event, which unfolded on 30.05.2022, was a pivotal gathering dedicated to advancing research practices in the realm of pharmacy practice, with a focus on harnessing the potential of cutting-edge digital technologies. This enlightening program united researchers, pharmacists, and enthusiasts committed to the intersection of pharmacy and technology. Attendees, eager to explore innovative research methodologies in the digital age, benefited from a comprehensive program led by seasoned experts.

### Program Outcome:

The program delivered several remarkable outcomes. Participants left with a heightened understanding of how digital technologies are transforming pharmacy practice research, poised to contribute to the advancement of this field. The insights shared by expert presenters provided practical guidance on conducting research in the digital age, unlocking the potential of technology-driven healthcare solutions. Moreover, the program facilitated networking and collaboration, forging connections that may lead to future ground-breaking discoveries and partnerships at the intersection of pharmacy and technology. In summary, the "Pharmacy Practice Research in the Digital Age" event left an enduring impact, empowering attendees with the knowledge and inspiration to excel in the evolving landscape of pharmacy practice and research.
