#### RESOURCE PERSON PROFILE

**DR. P. MOHANRAJ, M. Pharm., Ph.D.,**

**Professor,**

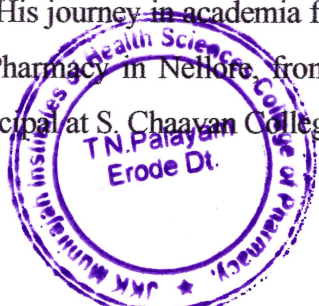

**Department of Pharmaceutical Chemistry,**

**JKK Munirajah Institute of Health Sciences College of Pharmacy, T.N. Palayam.**

DR. P. Mohanraj is an accomplished academician and researcher with an impressive educational background and extensive experience in the field of pharmacy. He holds a Ph.D. in Pharmacy, which he earned from the University of North Bengal, West Bengal, in 2013, demonstrating his dedication to advancing pharmaceutical sciences. Earlier in his academic journey, he completed his Master of Pharmacy (M. Pharm) with distinction from The Tamilnadu DR. MGR Medical University, Chennai, in 1999. DR. Mohanraj's strong foundation in pharmacy began with a Bachelor of Pharmacy (B. Pharm) degree from the same institution in 1994.

DR. Mohanraj's academic journey has been characterized by a rich and diverse teaching career. He embarked on his teaching profession as a Lecturer at J.K.K. Munirajah Medical Research Foundation in KPM, Tamil Nadu, where he contributed from September 1994 to June 1997. His passion for teaching and pharmacy education led him to pursue a career as an Assistant Professor at the same institution from February 1999 to March 2002. He further honed his teaching skills and knowledge as an Assistant Professor at Himalayan Pharmacy Institute in Sikkim, where he dedicated his expertise from March 2002 to June 2005. DR. Mohanraj continued his academic journey as an Assistant Professor at Nandha College of Pharmacy in Tamil Nadu from June 2005 to July 2006. His contributions extended back to Himalayan Pharmacy Institute, where he served as an Assistant Professor from July 2006 to August 2009. Driven by his commitment to pharmacy education, he took on the role of a Professor at The Erode College of Pharmacy in Erode from September 2009 to April 2010.

His journey in academia further evolved as he assumed the pivotal position of Principal at Swathi College of Pharmacy in Nellore, from April 2010 to February 2011. This trend continued with his appointment as Principal at S. Chaayan College of Pharmacy in Nellore, where he has served since March 2011.

DR. Mohanraj's academic accomplishments extend to his notable contributions in research. His Ph.D. thesis title, "UV and HPLC methods development and Validation of anti-retroviral Drugs," reflects his expertise in analytical pharmacy. He also undertook an AICTE Funded Project involving the development, validation, and pharmacokinetic features of antiretroviral Drugs in bulk and tablet dosage forms, demonstrating his commitment to advancing pharmaceutical research.

As an educator, DR. Mohanraj has guided and mentored numerous students in their academic pursuits. He has supervised 45 B. Pharmacy and 28 M. Pharmacy students in their projects, nurturing the next generation of pharmacy professionals. DR. Mohanraj's commitment to education and research is further highlighted by his role as an examiner and evaluator for various universities and institutions, including JNTUA Anantapur, JNTUK, The DR. M.G.R Medical University, PRIST University, Karpagam University, and the TN DR MGR Medical University. He has also served as a paper evaluator and question paper setter for TN DR MGR Medical University, an inspector for TN DR MGR Medical University, and an inspector for the Pharmacy Council of India.

DR. Mohanraj's dedication to his field is exemplified by his active participation in conferences, seminars, and workshops. He has attended various events, including the National workshop on "Awareness on Foreign University Collaborations for Pharmacy Course" in 2015 and the 60th Indian Pharmaceutical Congress in 2008. Additionally, he participated in the "First National Hands-On-Workshop on Bioanalytical Techniques in PK Studies" in 2008, further enhancing his expertise in pharmaceutical analysis.

DR. Mohanraj's contributions extend to his research publications in reputed journals, where he has shared his findings on topics ranging from Drug delivery systems to pharmacokinetics. He has authored several refereed journal papers, including "Collection, Purification and Phytochemical Screening Of A Natural Gum For Oral Controlled Drug Delivery System" and "A study on the antimicrobial effect of ethanoic extracts of Portulaca quadrifida Linn. Areal parts," demonstrating his diverse research interests.

DR. P. Mohanraj is a dynamic and accomplished academician in the field of pharmacy with a strong educational background, extensive teaching experience, and notable contributions to research. His commitment to pharmacy education and research makes him a valuable asset to the academic community, fostering the growth and development of future pharmacy professionals while advancing the field through his research endeavours.

### Event Description:

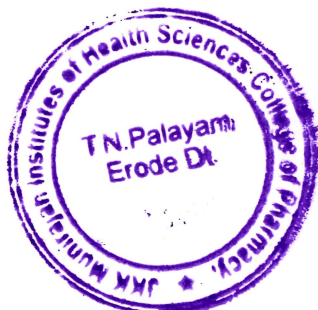

The "Navigating the Intellectual Property Landscape in Pharmaceutical Chemistry" event, held on 02.05.2022, was a pivotal gathering dedicated to unravelling the complexities of intellectual property within the domain of pharmaceutical chemistry. This enlightening program united professionals, researchers, and enthusiasts committed to safeguarding and leveraging intellectual property in the pharmaceutical sector. Attendees, eager to explore the intricacies of this crucial field, benefited from a comprehensive program led by seasoned experts.

### Program Outcome:

The program achieved several remarkable outcomes. Participants left with a heightened awareness of the intellectual property landscape in pharmaceutical chemistry, equipped with the knowledge and strategies to protect and leverage innovations effectively. The insights shared by expert presenters provided practical guidance on navigating patenting, licensing, and innovation in this specialized field. Furthermore, the program fostered networking and collaboration, forging connections that may lead to future advancements, partnerships, and innovation within pharmaceutical chemistry. In summary, the "Navigating the Intellectual Property Landscape in Pharmaceutical Chemistry" event left an enduring impact, empowering attendees with the knowledge and inspiration to excel in the dynamic intersection of science, innovation, and intellectual property protection.
