RESOURCE PERSON PROFILE

DR. J. NANDHAKUMAR, M. Pharm., Ph. D., D.C.F.A., P.G.D.H.M.,

Principal & Professor

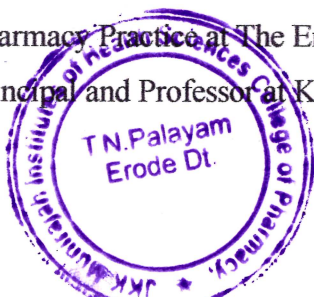

**Department of Pharmacy Practice,
KMP College of Pharmacy, Ernakulam.**

DR. J. Nandhakumar is an exceptionally skilled and qualified professional with an extensive background in the field of pharmaceutical sciences. He holds a B. Pharm degree with First Class honours and an M. Pharm degree with Distinction, specializing in Pharmacy Practice (Hospital and Clinical Pharmacy). His academic journey began at J.K.K. Nattarajah College of Pharmacy, Komarapalayam, where he achieved top academic performance with a First-Class degree in B. Pharm in April 2000.

His pursuit of knowledge continued at K.M. College of Pharmacy, Madurai, where he earned his M. Pharm degree in March 2002, distinguishing himself with a remarkable 76% and earning the prestigious First Class with Distinction designation. His specialization in Pharmacy Practice laid a solid foundation for his future contributions in this field.

DR. Nandhakumar's academic career spans nearly two decades, during which he has accumulated invaluable teaching experience. He has taught at various levels, from M. Pharm and Pharm. D to B. Pharm and D. Pharm courses. His extensive teaching career commenced in February 2002 at Nandha College of Pharmacy, Erode, where he served as an Assistant Professor and took charge as Pharm. D In charge, continuing his dedicated service until February 2012.

Subsequently, he held the position of Associate Professor at MNR College of Pharmacy, Sanga Reddy, from June 2012 to May 2014. From June 2014 to November 2018, he served as Professor and Head of the Department of Pharmacy Practice at The Erode College of Pharmacy, Erode. His journey culminated with his appointment as Principal and Professor at KMP College of Pharmacy, Ernakulam, where he has been serving since January 2019.

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

DR. Nandhakumar's expertise extends to a wide range of subjects, including Pharmacotherapeutics (including Pathophysiology) for M. Pharm students, and Pharmaceutics, Pharmacotherapeutics-I, II & III, Hospital Pharmacy, Clinical Pharmacy, and Pharmacy Practice for Pharm. D students. He has also taught Hospital & Clinical Pharmacy and Pharmacy Practice to B. Pharm students, as well as Clinical Research, Clinical Pharmacokinetics, and Pharmacotherapeutic Drug Monitoring.

Throughout his academic journey, DR. Nandhakumar has been actively involved in research. He conducted notable research for his B. Pharm thesis, focusing on the study of tuberculosis therapy through the analysis of treatment cards in selected areas. His M. Pharm thesis explored the therapeutic efficacy of natural and synthetic glucosamine and chondroitin sulphate in osteoarthritis patients, specifically knee-joint related.

In addition to his academic and research contributions, DR. Nandhakumar possesses extensive practical experience gained during his tenure as a Trainee Clinical Pharmacist. His responsibilities encompassed patient counselling, case history collection, medication history assessment, retail pharmacy operations, prescription monitoring, adverse Drug reaction (ADR) monitoring, medication chart review, ward pharmacy management, Drug information services, patient outcome studies, patient education, and participation in ward rounds.

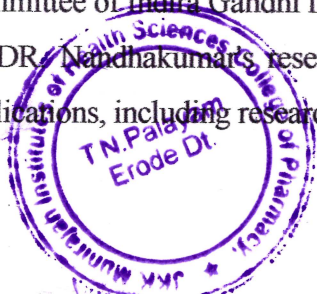

DR. Nandhakumar is an active member of several professional bodies, including the Tamil Nadu State Pharmacy Council, the Association of Pharmaceutical Teachers of India, the Indian Hospital Pharmacist Association, the Malaysian Metabolomics Society, and the Indian Society for Technical Education. He is proficient in Tamil, English, and Hindi, excelling in reading, writing, and speaking these languages. As a medical and scientific writer, DR. Nandhakumar's skills are commendable. He possesses the ability to communicate complex scientific and medical information clearly and precisely.

He has collaborated with project teams to prepare clinical and regulatory documents, developed innovative concepts for clinical research, contributed to study protocols and design, conducted statistical calculations using software like Graph pad Prism, and demonstrated proficiency in word processing, data analysis, and presentation.

His knowledge extends to the principles of clinical research, and he has also served as a reviewer for the Journal of Pharmacy Practice. DR. Nandhakumar is meticulous in adhering to guidelines such as CONSORT (Consolidated Standards of Reporting Trials) when submitting clinical research articles.

In recognition of his contributions, DR. Nandhakumar has received grants and awards for his research work, including grants from institutions like Christian Medical College & Hospital, Vellore, and the Government of Tamil Nadu's Self Sufficiency Scheme. He was appointed as the Chairperson of the Institutional Ethics Committee of Indira Gandhi Institute of Dental Sciences, Nellikuzhi, Ernakulam, Kerala.

DR. Nandhakumar's research output is substantial, with a noteworthy list of international and national publications, including research articles and review articles.

REPORT ON THE SEMINAR

Title: Intellectual Property Rights and Access to Medicines in Developing Countries

Date: 30.04.2022

Resource Person: DR. J. NANDHAKUMAR, M. Pharm., Ph. D., D.C.F.A., P.G.D.H.M.,

Event Coordinator: Mr. K. Gobinath, M. Pharm.,

Total Participant(s): 97

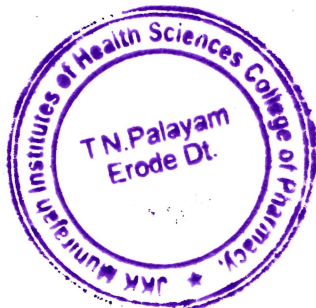

Event Description:

The "Intellectual Property Rights and Access to Medicines in Developing Countries" event, which transpired on 30.04.2022, was a pivotal gathering dedicated to addressing the intersection of intellectual property rights and equitable access to medicines in the context of developing countries. This enlightening program united professionals, advocates, and policymakers committed to finding solutions to ensure that essential medicines remain accessible to all. Attendees, eager to explore this complex nexus, benefited from a comprehensive program led by experienced experts.

Program Outcome:

The program delivered several remarkable outcomes. Participants left with an enriched understanding of the intricate relationship between intellectual property rights and healthcare access in developing countries. The insights shared by expert presenters provided practical guidance on striking a balance between incentivizing innovation and ensuring affordable access to vital medications. Moreover, the program fostered networking and collaboration, forging connections that may lead to future policy initiatives and partnerships aimed at improving global healthcare equity. In summary, the "Intellectual Property Rights and Access to Medicines in Developing Countries" event left an enduring impact, empowering attendees with the knowledge and motivation to contribute meaningfully to the critical discussions surrounding healthcare accessibility and intellectual property rights in underserved regions.
