### **Two days Workshop on Think Outside the Box: How to Innovate and Succeed in Entrepreneurship**

#### **RESOURCE PERSON PROFILE**

**Mr. N. ANANDKUMAR, MBA.,**

**Facility Coordinator,**

**Adroit Facility Management LLC, Dubai, UAE.**

Mr. N. Anandkumar brings a wealth of expertise in maintenance techniques and solutions, spanning both building infrastructure and machinery/equipment. With a track record of successfully managing multiple projects, he has consistently delivered them on time and within budget constraints. Having previously collaborated with globally renowned brands and industry leaders, he offers a unique perspective.

In his role as an Administrative Officer, Mr. Anandkumar efficiently coordinated daily office operations, implemented a cutting-edge accounting system to enhance financial efficiency, and managed confidential documents and payroll for a workforce of over 100 employees. He has also excelled in updating office policies, maintaining calendars, scheduling appointments, and preparing reports and presentations. His knack for arranging travel and accommodations further underscores his organizational skills.

During his tenure as a Facility Coordinator at Adroit Facility Management LLC in Dubai, UAE, he supervised staff training, risk assessments, and quality control measures. He meticulously managed 3rd party vendor performance, maintained inventory systems, and contributed to hiring and performance management.

In addition, he fostered an atmosphere of safety, quality, and productivity, thereby reducing costs. Notably, his contribution extended to project management for several high-profile ventures. Earlier, as an Electrical Engineer at PSP Engineering Consultant in Chennai, India, he was responsible for designing shop Drawings, lighting layouts, and power layouts.
