DR. Deepa Jose, M. Pharm., Ph.D., stands as a distinguished Professor in the Department of Pharmaceutical Chemistry at Nirmala College of Pharmacy, Muvattupuzha, where she has carved a notable career marked by academic excellence, extensive research, and exceptional achievements. She has consistently demonstrated her commitment to the field of pharmaceutical sciences through her educational journey, culminating in a Ph.D. in Modern Medicine from Mahatma Gandhi University, Kottayam, Kerala, in 2019. Her pursuit of academic excellence began with a B. Pharm. degree, secured through a competitive merit quota selection process, highlighting her early dedication to the field.

DR. Deepa Jose's contributions extend beyond her academic achievements. She has been an approved guide for Ph.D. students in Kerala University of Health Sciences, Thrissur, Kerala, and a co-guide for Ph.D. candidates in JKT University, Rajasthan. Her passion for research has led to the successful acquisition of grants, such as the one from The Kerala State Council for Science, Technology, and Environment (KSCSTE) in 2021, further demonstrating her commitment to advancing pharmaceutical knowledge.

Acknowledging her scholarly contributions, DR. Deepa Jose received an outstanding award for her oral presentation on "Ameliorative effect of the combination of Psidium guajava and Syzygium cumini leaves on ulcerative colitis" at the 10th Annual Virtual International Convention 'CUPDTSPER-2021.' This recognition underscores her expertise in the field.

In her current role as Vice Principal and HOD of the Department of Pharmaceutical Chemistry at Nirmala College of Pharmacy, DR. Deepa Jose plays a pivotal role in shaping the academic and research landscape. The institution is affiliated with the Kerala University of Health Sciences and holds accreditation from NBA, further highlighting the quality of education and research it provides.

Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

The college boasts a dedicated research lab equipped with sophisticated instruments and a CPCSEA-approved animal house, facilitating a vibrant research environment. Each year, approximately 30 research projects are undertaken by students and faculty members under her guidance.

DR. Deepa Jose's academic journey has been enriched by her participation in various courses, seminars, workshops, and symposiums, showcasing her commitment to continuous learning and the dissemination of knowledge. She actively contributes to the field through her publications in esteemed journals, covering diverse topics in pharmaceutical research. Her proficiency extends to various software applications, including GraphPad Prism, SPSS, Microsoft Word, Excel, and PowerPoint, further enhancing her research capabilities.

DR. Deepa Jose's remarkable academic achievements, extensive research endeavours, leadership roles, and recognition in the pharmaceutical field make her an eminent resource person. Her commitment to education, research, and innovation plays a significant role in advancing the frontiers of pharmaceutical sciences, and her contribution continues to inspire the academic and research community.

### Event Description:

The "Trends in Drug Discovery and Development: Insights from Pharmaceutical Analysis" event, held on 09.06.2021, was an enlightening gathering dedicated to exploring the latest trends and innovations in the pharmaceutical industry, with a focus on insights gained through pharmaceutical analysis. This comprehensive program united researchers, scientists, and pharmaceutical professionals committed to staying at the forefront of drug discovery and development. Attendees, eager to delve into the evolving landscape of pharmaceutical analysis, benefited from a comprehensive program led by seasoned experts.

### Program Outcome:

The program delivered several significant outcomes. Participants left with an enriched understanding of the dynamic trends and cutting-edge insights that are shaping the future of drug discovery and development. The insights shared by expert presenters provided practical guidance on how to leverage pharmaceutical analysis techniques to advance research and product development. Furthermore, the event fostered networking and collaboration, forging connections that may lead to future ground-breaking discoveries and partnerships in the pharmaceutical industry. In summary, the "Trends in Drug Discovery and Development" event left an enduring impact, empowering attendees with the knowledge and inspiration to excel in the ever-evolving landscape of pharmaceutical research and development.
