RESOURCE PERSON PROFILE

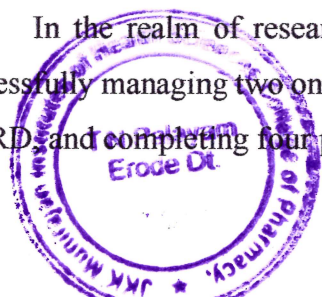

DR. SENTHIL RAJA AYYANNAN, M. Pharm., Ph. D.,
Associate Professor,
Department of Pharmaceutical Engineering & Tech.,
IIT (BHU) Varanasi.

DR. Senthil Raja Ayyannan is a distinguished scholar in the field of pharmaceutical sciences, with an impressive academic and research portfolio. He earned his Ph.D. from the prestigious Indian Institute of Technology (BHU) Varanasi in 2008, following an M. Pharm. degree in 2002, and a B. Pharm. in 1999 from Swamy Vivekanandha College of Pharmacy, Tiruchengode, TN. DR. Senthil Raja Ayyannan currently holds the position of Associate Professor in the Department of Pharmaceutical Engineering & Technology at IIT (BHU) Varanasi, where he has been instrumental in shaping the academic landscape for approximately 16 years.

With a specialization in Pharmaceutical Chemistry, Computational Chemistry, and Drug Design, DR. Senthil Raja Ayyannan's expertise is showcased through his extensive teaching and research experience. His teaching journey commenced in 2002 at LM College of Science & Technology (Pharmacy), Jodhpur, and has since flourished at IIT (BHU) Varanasi. He imparts knowledge in a range of subjects, including Pharmaceutical Chemistry, Biochemistry, Drug Design, and Spectroscopy.

DR. Senthil Raja Ayyannan's research endeavours span over 12 years and are focused on structure-based and ligand-based molecular design, discovery, and optimization. His work addresses critical areas such as Epilepsy, Alzheimer's disease, and Cancer. His scholarly contributions are underscored by 20 papers published in peer-reviewed journals, with a total of 373 citations, an h-index of 9, and an i10-index of 9. Additionally, he has presented 25 abstracts at various conferences.

In the realm of research projects, DR. Senthil Raja Ayyannan has demonstrated his prowess by successfully managing two ongoing projects with a combined worth of INR 82.00 Lakhs, funded by STARS, MHRD, and completing four projects worth INR 37.00 Lakhs, funded by AICTE & IIT (BHU).

His dedication to nurturing the next generation of researchers is evident through his supervision of Ph.D. and M. Pharm/M. Tech. students.

DR. Senthil Raja Ayyannan has fostered meaningful research collaborations with NINDS & NCI, NIH, Bethesda, USA, and CDRI, Lucknow, further amplifying his contributions to the Pharmaceutical Sciences.

In recognition of his outstanding contributions, DR. Senthil Raja Ayyannan has been honoured with 11 awards, medals, and honours, including the title of Outstanding Scientist in 2019 and the APAN India Fellow in 2011. He has also played a pivotal role in organizing 7 seminars and events, assuming roles such as Event Manager for the 59th IPC and Coordinator for SPIRIT.

Beyond his academic and research pursuits, DR. Senthil Raja Ayyannan is a sought-after speaker, having delivered 9 invited lectures. He has participated in 6 Faculty Development Programs (FDP) and courses and attended 12 seminars and conferences, expanding his knowledge and network in the field.

Professionally, DR. Senthil Raja Ayyannan is associated with 4 professional memberships, including APTI, IPGA, MMF, and the Pharmaceutical Society. His global outlook is reflected in his visits to 3 countries: Germany, The Netherlands, and Singapore. In his personal life, DR. Senthil Raja Ayyannan is a multi-linguist, proficient in Tamil, Hindi, and English. His hobbies encompass a love for traveling, trekking, and photography.

DR. Senthil Raja Ayyannan's illustrious career, remarkable research contributions, and commitment to the advancement of pharmaceutical sciences make him a prominent figure in the field, inspiring both students and fellow researchers.

Total Participant(s): 85

Description of the program:

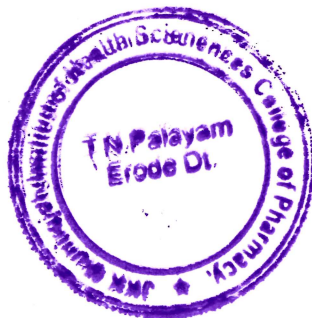

The "Entrepreneurship Mind-set: Unlocking Creativity and Innovation" event, conducted on 29/04/2023, was a remarkable success. This insightful gathering brought together individuals passionate about entrepreneurship, creativity, and innovation. Attendees, who were eager to explore the entrepreneurial mind-set, were treated to a captivating session led by experts in the field.

Program Outcome:

The event resulted in several significant outcomes. Participants left with newfound inspiration and a deeper understanding of the critical role an entrepreneurial mind-set plays in fostering creativity and innovation. The insights shared by the expert speaker's sparked innovative thinking and provided practical tools for attendees to apply in their ventures and careers. Additionally, the event served as a platform for networking and collaboration, enabling like-minded individuals to connect and explore opportunities for future entrepreneurial endeavours. Overall, "Entrepreneurship Mind-set: Unlocking Creativity and Innovation" left an enduring impact on attendees, empowering them to harness their creativity and drive innovation in their respective fields.
