Department of Pharmacology

Seminar on Integrating Research Methodology into Pharmacy Practice: A Pathway to Innovation

RESOURCE PERSON PROFILE

Mr. MOHAMED THOUFIQ ILAHI, M. Pharm.,

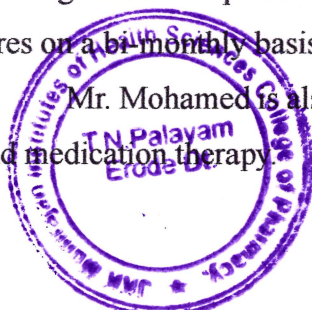

Clinical Pharmacist,

Apollo Hospital, Chennai.

Mr. Mohamed Thoufiq Ilahi is a highly qualified and skilled Pharmacist with extensive experience in the field of Pharmacology and medication therapy. He holds a Bachelor of Pharmacy (B. Pharm) degree and a Diploma in Pharmacy (D. Pharm) from The Tamil Nadu DR. M.G.R. Medical University. Mr. Mohamed has worked as a Senior Pharmacist and Trainer at Apollo Hospitals in Chennai, where he was responsible for providing advice about health issues, recruiting, training, and managing staff, processing prescriptions and dispensing medication, ordering and selling medicines and other stock, and meeting medical representatives. He also planned and delivered induction and training programs for new hires on a bi-monthly basis. Mr. Mohamed is a fast learner and highly adaptable, with well-founded standards in terms of quality. He is empathetic and intuitive during client interactions and is adept at building trust and strong customer relations. His leadership and management skills, as well as his experience with NABH and JCIA standards, make him an ideal candidate for roles that require a high level of responsibility and attention to detail. Overall, Mohamed's experience and qualifications make him a highly skilled and knowledgeable pharmacist who is well-equipped to handle a variety of responsibilities in the field of pharmacology.

Mr. Mohamed Thoufiq Ilahi is a pharmacist with extensive experience in the field of Pharmacology and medication therapy. He has worked as a Senior Pharmacist and Trainer at Apollo Hospitals in Chennai, where he was responsible for providing advice about health issues, recruiting, training, and managing staff, processing prescriptions and dispensing medication, ordering and selling medicines and other stock, and meeting medical representatives. He also planned and delivered induction and training programs for new hires on a bi-monthly basis.

Mr. Mohamed is also a Retail Pharmacist with expertise in pharmacology, dispensing, compounding, and medication therapy.

REPORT ON THE SEMINAR

Title: Integrating Research Methodology into Pharmacy Practice: A Pathway to Innovation

Date: 31/03/2023

Resource Person: Mr. MOHAMED THOUFIQ ILAHI, M. Pharm.,

Event Coordinator: Dr. I. Balaji, Pharm. D.,

Total Participant(s): 48

Description of the program:

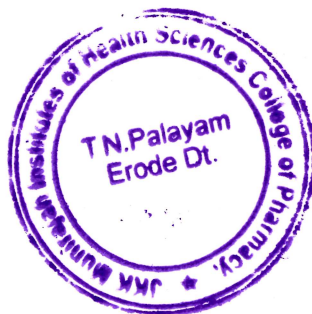

The "Integrating Research Methodology into Pharmacy Practice: A Pathway to Innovation" event, which took place on 31/03/2023, was a resounding success. This engaging gathering united individuals passionate about blending research methodology with pharmacy practice to drive innovation. Attendees, eager to explore this synergy, were treated to an enlightening session led by experts in the field.

Program Outcome:

The event delivered significant outcomes. Participants left with a deeper understanding of how research methodology can be seamlessly integrated into pharmacy practice to foster innovation. The insights shared by expert speakers ignited a spirit of inquiry and provided practical guidance on applying research principles in real-world pharmacy scenarios. Moreover, the event served as a nexus for networking and collaboration, fostering connections that may pave the way for future innovative endeavours in the pharmaceutical and healthcare sectors. In summary, "Integrating Research Methodology into Pharmacy Practice: A Pathway to Innovation" left a lasting impact, equipping attendees with the knowledge and inspiration to catalyse innovation within their pharmacy careers.
