

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

16.03.2023

CIRCULAR

This is to inform all Pharm D students and faculties that the Department of Pharmacology is Organizing a seminar on **“Research Methodologies that Work: Best Practices in Biomedical Research”** to be held on 20/03/2023, 10.00 AM at seminar hall.

Resource Person:

Dr. ASWATHI PALANI, Pharm. D.,
Clinical Pharmacist,
Neuro Foundation Hospital, Salem.

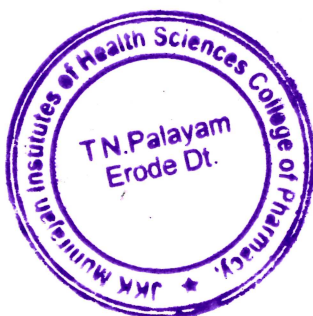

Interested staff and students are directed to enroll through event co-ordinator
Mr. C. Govindaraj, M. Pharm.,

Principal

JKK Munirajah Institute of Health Sciences
College of Pharmacy, T.N.Palayam,
Gobi (Tk), Erode (Dt) - 638 506

Department of Pharmacology

Seminar on Research Methodologies that Work: Best Practices in Biomedical Research

RESOURCE PERSON PROFILE

Dr. ASWATHI PALANI, Pharm. D.,
Clinical Pharmacist,
Neuro Foundation Hospital, Salem.

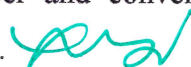

Dr. Ashwathi Palani, Pharm. D, RPh, is an accomplished Clinical Pharmacist with 1.6 years of hands-on experience in a hospital environment. Her passion for pharmaceutical care is evident in her approach, which includes enhancing prescription writing by incorporating drug classifications to minimize unnecessary drug duplication. Beyond her clinical duties, DR. Palani actively engages in educating nursing professionals on medication safety practices, utilizing her exceptional presentation skills to impart valuable knowledge.

Dr. Ashwathi Palani's educational journey has been marked by excellence. She earned her Doctor of Pharmacy (Pharm. D) degree from J.K.K. Natraja College of Pharmacy, Kumarapalayam, achieving an impressive academic performance of 77.62%. Her strong academic foundation extends to her secondary education, where she secured 82.1% in HSC from St. Francis de Sales Matric Higher Secondary School, Vaniyambadi, and an outstanding 95.4% in SSLC from the same institution.

Her skill set is diverse and valuable, encompassing Prescription Auditing, ADR Identification and Reporting, Medication Error Monitoring and Reporting, Documenting Skills, Presentation Skills, Medical Writing, Patient Counselling, and a comprehensive understanding of Drug Interactions.

Dr. Ashwathi Palani's clinical experience at Neuro Foundation Hospital in Salem has been marked by active participation in ward rounds with Neuro physicians and nursing practitioners. Her responsibilities include identifying and managing pharmacy-related issues, such as PK - PD, renal dosing, dilutions, and antibiotics dosing, all based on culture reports. She is also skilled in Drug Utilization Review, effectively communicating drug-related issues to consultants, and proficiently handling Medication Management Therapy (MMT) and Medication Reconciliation. Her expertise extends to Management of Medication (MOM) based on the 5th edition, and she plays a pivotal role as a member and convener in the Pharmacotherapeutic Committee (PTC), providing essential new drug information.

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

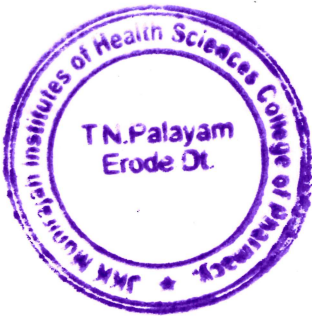

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Dr. Ashwathi Palani's internship experience further underscores her commitment to her profession. At the Government Head Quarters Hospital in Erode, she actively monitored ADRs, conducted medication error assessments, and performed prescription audits, all while delivering valuable patient counselling.

During her tenure as a Community Pharmacist and Dispensing Pharmacist at Jan Aushadhi in Kumarapalayam, Tamil Nadu, Dr. Ashwathi Palani ensured safety checks during medication dispensing, interpreted and filled prescription orders, and provided comprehensive counselling to customers regarding proper medication usage.

Her list of certifications and achievements is extensive, highlighting her continuous pursuit of knowledge and professional development. Dr. Ashwathi Palani's contributions include serving as a guest speaker in the alumni insights program, completing a Basic-Certification course on Antimicrobial Stewardship, securing the second rank in university examinations, and being awarded the Best Intern for outstanding performance during her Pharm-D course. She has actively participated in various workshops, conferences, and research projects, further showcasing her dedication to the field of pharmacy.

Dr. Ashwathi Palani is an accomplished Clinical Pharmacist with a strong academic foundation, diverse skills, and a profound commitment to providing quality patient care. Her passion for pharmaceutical care and her continuous pursuit of knowledge makes her an invaluable asset to the healthcare industry.

REPORT ON THE SEMINAR

Title: Research Methodologies that Work: Best Practices in Biomedical Research

Date: 20/03/2023

Resource Person: Dr. ASWATHI PALANI, Pharm. D.,

Event Coordinator: Mr. C. Govindaraj, M. Pharm.,

Total Participant(s): 49

Description of the program:

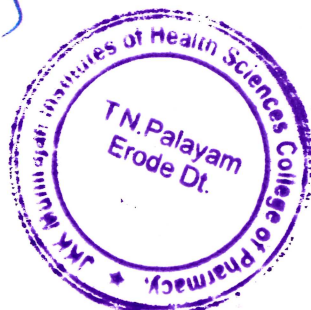

The "Research Methodologies That Work: Best Practices in Biomedical Research" event, which unfolded on 20/03/2023, emerged as a triumph. This illuminating gathering congregated individuals deeply passionate about the intricacies of effective research methodologies within the biomedical field. Attendees, with a keen interest in refining their research practices, were treated to an enlightening session led by esteemed experts.

Program Outcome:

The event yielded significant outcomes. Attendees left with an enriched understanding of best practices in biomedical research methodologies. The insights shared by the expert speakers provided invaluable guidance on how to optimize research processes, fostering innovation and scientific excellence. Additionally, the event nurtured a vibrant atmosphere for networking and collaboration, where connections forged during the event are likely to catalyse future ground-breaking research projects and partnerships. In summary, "Research Methodologies That Work: Best Practices in Biomedical Research" left a lasting impact, empowering attendees with the knowledge and tools to excel in their biomedical research pursuits.
