Department of Pharmacology

Seminar on Clinical Pharmacy and Pharmacotherapy

RESOURCE PERSON PROFILE

Dr. S. YOGESHWARAN, Pharm. D.,

Clinical Pharmacist,

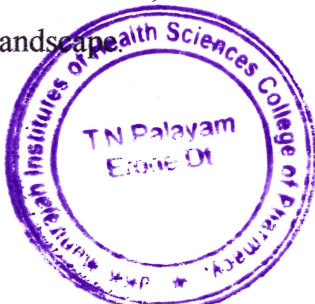

BILLROTH Hospital, Chennai.

Dr. S. Yogeshwaran is a clinical Pharmacist with 1.5 years of valuable experience at Billroth Hospital in Chennai, where he has showcased his expertise in the field. He possesses a profound understanding of Pharmacology, Therapeutics, and Drug-Drug Interactions, making him a competent professional in medication management. Dr. S. Yogeshwaran is well-versed in safety narrative writing, adding another dimension to his skill set.

His expertise extends to Materiovigilance and Vaccine Pharmacovigilance, where he has been trained on the Argus 8.1 safety database for ICSR Case Processing, demonstrating his commitment to maintaining the highest safety standards in the pharmaceutical industry.

Dr. S. Yogeshwaran has augmented his practical experience with a range of certifications:

- In January 2021, he earned certification in the "Introduction to Drug Safety and Pharmacovigilance - An Abridged Course" from Bio Pharma Institute.
- In December 2020, he received certification in "ICH Good Clinical Practice E6 (R2)" from The Global Health Network, emphasizing his dedication to adhering to clinical research guidelines.
- Dr. S. Yogeshwaran is also certified in "Good Clinical Practice" from NIDA Clinical Trials Network in December 2020, showcasing his proficiency in conducting ethical clinical trials.
- His certification in "Signal detection and causality assessment" and "Statistical reasoning and algorithms in Pharmacovigilance" from UMC in December 2020 underscores his expertise in drug safety.
- Furthermore, he holds certification in 'Vaccine Safety Basics,' which is vital in the current healthcare landscape.

Principal

JKK Munirajah Institute of Health Sciences

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

His diverse academic background includes:

- In 2021, Dr. S. Yogeshwaran pursued a course in Pharmacovigilance at Rise Trainings Institution, further enhancing his knowledge in this critical field.
- He completed his Pharm. D program at Sri Ramachandra University in Chennai, achieving a commendable score of 67%.
- Dr. S. Yogeshwaran's higher secondary education took place at Vetri Vikas Boys Matriculation Higher Secondary School in Salem in 2015, where he secured an impressive score of 70%.
- In 2013, he completed his secondary education at Wisdom Matriculation Higher Secondary School in Cheyyar with distinction, obtaining a remarkable score of 87%.

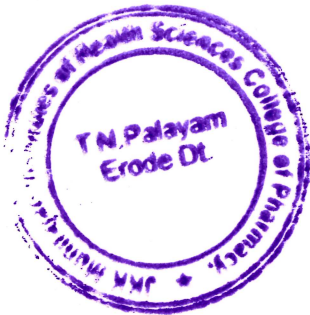

Key skills that Dr. S. Yogeshwaran brings to his professional roles include a strong foundation in literature review, articles, and journals, as well as effective teamwork and leadership capabilities. His proficiency in presentation skills further enhances his ability to communicate and disseminate critical information in the field of Clinical Pharmacy and Pharmacovigilance.

In addition to his academic and professional pursuits, Dr. S. Yogeshwaran has actively participated in workshops and conferences, such as the Workshop on "Importance of Bioethics in Clinical Research" and the national workshop on "Clinical study design & Statistical Methodologies (CSDSM)." His involvement in the "COMBAT AND CONQUER COVID-19" e-poster competition reflects his dedication to contributing to the advancement of healthcare knowledge.

With his multifaceted skill set and a commitment to excellence in clinical pharmacy and Pharmacovigilance, Dr. S. Yogeshwaran is well-prepared to make meaningful contributions to the healthcare and pharmaceutical sectors.

REPORT ON THE SEMINAR

Title: Clinical Pharmacy and Pharmacotherapy

Date: 29/08/2022

Resource Person: Dr. S. YOGESHWARAN, Pharm. D.,

Event Coordinator: DR. M. Periasamy, M. Pharm., Ph. D.,

Total Participant(s): 80

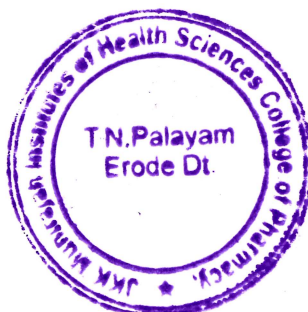

Description of the program:

The impact lecture session was organized on 29/08/2022. DR. M. Periasamy, M. Pharm., Ph. D., Coordinated the event. The program was convened by DR. M. Periasamy, M. Pharm., Ph. D., The Resource Person Dr. S. Yogeshwaran, Pharm. D., He had elaborated on the topic- This session is dedicated to exploring the dynamic and crucial role of clinical pharmacy in optimizing patient care and medication therapy. Delve into the latest advancements in pharmacotherapy, drug interactions, and personalized treatment plans. Renowned experts in the field will share their insights on evidence-based practices, therapeutic decision-making, and the integration of pharmacists into multidisciplinary healthcare teams. Whether you're a healthcare professional, pharmacist, or student aspiring to excel in the field of clinical pharmacy, this lecture session promises to equip you with cutting-edge knowledge and practical skills.

Program Outcome:

His seminar was very informative as it helped our faculty and students to know more about the various aspects of business. The session, highlights, attendees will have acquired comprehensive knowledge and practical insights into the critical domain of clinical pharmacy. Participants will gain an understanding of evidence-based pharmacotherapy practices, drug interactions, and individualized treatment approaches. Armed with this expertise, they will be able to play an instrumental role in optimizing patient care and medication therapy within healthcare settings. Moreover, the program aims to foster a deeper appreciation for the integration of pharmacists into multidisciplinary healthcare teams, emphasizing their significant contributions to patient outcomes. As a result of this enlightening event, participants will be better equipped to excel in the field of clinical pharmacy, elevating the quality of healthcare and making a positive impact on patient well-being.
