## PLASTIC COLLECTION CAMPAIGN AT KALLIPATTI

### EVENT REPORT

**Name of Programme:** Plastic Collection Campaign at Kallipatti

**Date of Event:** 30.12.2019

**Place of Event:** Kallipatti

**Number of Volunteers:** 20

**Beneficiaries:** The Beneficiaries of Plastic Collection Campaign are Kallipatti village peoples.

#### Event Description:

The "Plastic Collection Campaign" conducted in Kallipatti on December 30, 2019, was a crucial and community-focused initiative aimed at addressing plastic pollution, promoting responsible waste management, and fostering a cleaner and healthier environment. This program embodied the spirit of environmental responsibility, community engagement, and proactive measures to combat plastic pollution.

#### **Program Activities and Highlights:**

##### **Plastic Collection Drive:**

The core activity of the event was a widespread plastic collection drive involving community members and volunteers. Participants gathered plastic waste from various sources, including streets, parks, and public areas.

##### **Educational Sessions:**

The program included educational sessions on the environmental impact of plastic pollution, the importance of recycling, and responsible waste disposal practices.

##### **Recycling Initiatives:**

Attendees learned about the recycling process and the importance of segregating plastic waste to divert it from landfills.

#### Program Outcome:

The Plastic Collection Campaign in Kallipatti on December 30, 2019, led to several significant outcomes:

##### **Reduced Plastic Pollution:**

The event contributed to reducing plastic pollution in the community by collecting and properly disposing of plastic waste.

## **Environmental Awareness:**

Attendees left the event with a deeper understanding of the detrimental effects of plastic pollution and a commitment to reducing their plastic consumption.

## **Community Engagement:**

The program fostered community engagement and unity in addressing environmental challenges, emphasizing that plastic pollution is a shared concern requiring collective action.

## **Promotion of Recycling:**

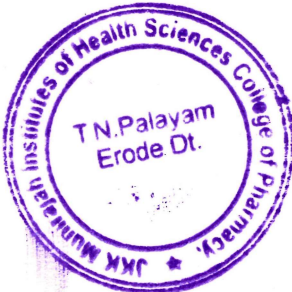

The campaign's efforts likely encouraged more individuals to participate in recycling initiatives and reduce their reliance on single-use plastics.

The "Plastic Collection Campaign" in Kallipatti on December 30, 2019, exemplified the community's dedication to environmental conservation and responsible waste management. It not only addressed plastic pollution but also educated individuals about the importance of reducing plastic waste and promoting recycling. This event served as a reminder of the collective responsibility to protect the environment and reduce the harmful impacts of plastic pollution.
