WORLD HEARING DAY AT GOBI

EVENT REPORT

Name of Programme: World Hearing Day at Gobi

Date of Event: 24.02.2022

Place of Event: Gobi

Number of Volunteers: 25

Beneficiaries: The Beneficiaries of World Hearing Day event are Gobi area peoples.

Event Description:

The "World Hearing Day" celebration held in Gobi on February 24, 2022, was a vital health-focused initiative aimed at raising awareness about hearing health, advocating for the prevention of hearing loss, and providing valuable information and resources to the community. This program exemplified the spirit of public health awareness, community engagement, and proactive efforts to address hearing-related issues.

Program Activities and Highlights:

Hearing Health Workshops:

The core activity of the event featured audiologists, healthcare professionals, and experts conducting workshops and information sessions on hearing loss prevention, the importance of regular check-ups, and strategies for maintaining good hearing health.

Free Hearing Screenings:

Attendees had the opportunity to undergo free hearing screenings, allowing for the early detection of hearing issues and the provision of guidance on managing hearing health.

Interactive Discussions:

The program facilitated interactive discussions and Q&A sessions, enabling individuals to seek advice, share experiences, and gain insights into hearing health.

Program Outcome:

The World Hearing Day celebration in Gobi on February 24, 2022, led to several significant outcomes:

Heightened Awareness:

The event successfully raised awareness about hearing health and the importance of taking proactive steps to prevent hearing loss.

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Early Detection:

Attendees benefited from free hearing screenings, potentially leading to the early identification and management of hearing issues.

Community Engagement:

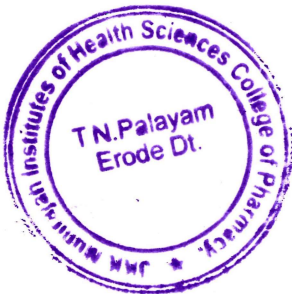

The program fostered community engagement and unity in advocating for hearing health, emphasizing the role of individuals and communities in promoting healthy hearing practices.

Support for Hearing-impaired Individuals:

The campaign's efforts likely encouraged support and empathy for individuals with hearing loss, creating a more inclusive and understanding community.

The "World Hearing Day" celebration in Gobi on February 24, 2022, was a significant initiative aimed at promoting hearing health and early intervention. It not only raised awareness but also provided practical support through free hearing screenings, reinforcing the importance of preserving and protecting one's hearing. This event served as a reminder of the collective responsibility to care for hearing health and support those facing hearing-related challenges.
