Date of Event: 06.10.2021

Place of Event: Bungalowpudur

Number of Volunteers: 20

Beneficiaries: The Beneficiaries of AIDS Awareness Day event are Bungalowpudur village peoples.

Event Description:

The "AIDS Awareness Day" event held in Bungalowpudur on October 6, 2021, was a crucial and health-focused initiative aimed at raising awareness about HIV/AIDS, disseminating essential information about prevention and treatment, and reducing the stigma associated with the virus. This program exemplified the spirit of public health awareness, community engagement, and proactive efforts to combat HIV/AIDS.

Program Activities and Highlights:

Health Education Workshops:

The core activity of the event featured health experts, medical professionals, and advocates conducting workshops and information sessions on HIV/AIDS transmission, prevention, testing, treatment, and the importance of stigmatization.

Distribution of Educational Materials:

Attendees received informative pamphlets, brochures, and resources to encourage safe practices, regular testing, and understanding the facts about HIV/AIDS.

Interactive Discussions:

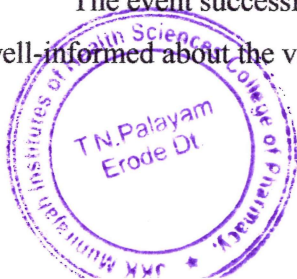

The program facilitated interactive discussions, allowing community members to ask questions, share experiences, and seek clarifications about HIV/AIDS-related matters.

Program Outcome:

The AIDS Awareness Day event in Bungalowpudur on October 6, 2021, led to several significant outcomes:

Enhanced Awareness:

The event successfully raised awareness about HIV/AIDS, ensuring that community members were well-informed about the virus, prevention methods, and the importance of getting tested.
