FREE HEALTH CHECK-UP CAMP AT KONGARPALAYAM VILLAGE

EVENT REPORT

Name of Programme: Free Health Check-up Camp at Kongarpalayam Village

Date of Event: 27.12.2022

Place of Event: Kongarpalayam

Number of Volunteers: 15

Beneficiaries: The Beneficiaries of the Free Health Check-up Camp are the Residents of Kongarpalayam Village.

Event Description:

The "Free Health Check-up Camp" held in Kongarpalayam Village on December 27, 2022, was a pivotal community health initiative aimed at providing access to essential healthcare services to the residents of the village. This program exemplified the commitment to improving the overall well-being of the community, promoting health awareness, and enhancing the quality of life for the villagers.

Program Activities and Highlights:

Health Screenings:

The core activity of the event featured a range of health screenings, including blood pressure checks, blood sugar tests, basic medical examinations, and dental check-ups.

Medical Consultations:

Residents had the opportunity to consult with healthcare professionals who provided guidance, addressed health concerns, and recommended follow-up treatments if necessary.

Health Education Workshops:

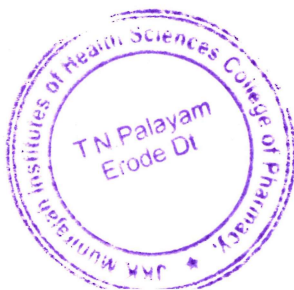

Educational workshops and presentations on various health topics, including nutrition, hygiene, and disease prevention, were conducted to empower the community with knowledge about maintaining good health.

Program Outcome:

The Free Health Check-up Camp in Kongarpalayam Village on December 27, 2022, yielded several significant outcomes:

Principal

JKK Munirajah Institute of Health Sciences
College of Pharmacy, T.N.Palayam,
Gobi (TK), Erode (DT) - 638 506

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Improved Health Awareness:

The event successfully raised awareness about common health issues and the importance of regular check-ups, empowering individuals to take proactive steps towards better health.

Early Detection:

Health screenings and medical consultations enabled the early detection of health issues, allowing for timely intervention and treatment.

Access to Healthcare:

The camp provided much-needed access to healthcare services for the villagers who might not have had regular access to medical facilities.

Community Bonding:

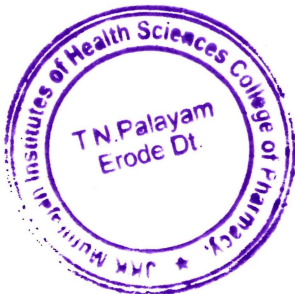

The program fostered a sense of community, as residents came together to support one another in their quest for better health.

Preventive Health Practices:

The health education workshops inspired community members to adopt preventive health practices, leading to a healthier lifestyle.

The "Free Health Check-up Camp" in Kongarpalayam Village on December 27, 2022, was a crucial community health initiative that aimed to improve the overall well-being of the villagers by providing access to essential healthcare services and promoting health awareness. This event not only addressed immediate health needs but also encouraged long-term health-conscious behaviors, ultimately contributing to a healthier and more informed community.
