## BLOOD DONATION CAMP AT T. N. PALAYAM

### EVENT REPORT

**Name of Programme:** Blood Donation Camp at T. N. Palayam

**Date of Event:** 12.02.2020

**Place of Event:** T. N. Palayam

**Number of Volunteers:** 20

**Beneficiaries:** The Beneficiaries of Blood Donation Camp are T. N. Palayam peoples.

#### Event Description:

The "Blood Donation Camp" held in T. N. Palayam on February 12, 2020, was a remarkable community-driven initiative aimed at promoting voluntary blood donation, creating awareness about the critical importance of donating blood, and ensuring a reliable supply of this life-saving resource for those in need. Organized by the JKK Munirajah Institute of Health Sciences, College of Pharmacy, in collaboration with Sai Dheekshika Heart Care Centre and Thanvanthri Marketing Pvt. Ltd., this event brought together volunteers, medical professionals, and the local community to contribute to the well-being of T. N. Palayam residents.

#### **Program Activities and Highlights:**

##### **Blood Donation:**

The primary objective of the event was to encourage voluntary blood donation. The community members and volunteers showed tremendous altruism by donating blood, with a mobile blood donation unit ensuring safe and hygienic blood collection.

##### **Medical Screening:**

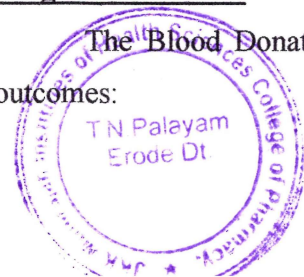

Prioritizing the safety and well-being of both donors and recipients, all potential donors underwent thorough medical screening to confirm their eligibility for blood donation.

##### **Donor Recognition:**

Donors were recognized and appreciated for their selfless contribution. This recognition aimed to foster a culture of blood donation within the community, celebrating the heroes who save lives through their generous acts.

#### Program Outcome:

The Blood Donation Camp in T. N. Palayam on February 12, 2020, led to several significant outcomes:

## **Saved Lives:**

The event contributed to saving numerous lives by ensuring a steady supply of blood for medical emergencies and treatments.

## **Community Engagement:**

The program successfully fostered community engagement and unity. It emphasized that blood donation is a shared responsibility that can have a profound impact on the overall well-being of community members, bringing the community together in support of a common cause.

## **Awareness and Education:**

The event left attendees with a greater understanding of the critical importance of voluntary blood donation in healthcare. By educating individuals about the significance of their contributions, the event aimed to encourage ongoing participation and support for blood donation campaigns.

## **Encouraged Regular Donations:**

The collective efforts of the "Blood Donation Camp" were likely to have encouraged more individuals to become regular blood donors. This ongoing commitment will ensure a sustainable supply of blood for local medical facilities, reinforcing the sense of responsibility and commitment within the community.

The "Blood Donation Camp" in T. N. Palayam on February 12, 2020, stands as a shining example of the community's dedication to saving lives and supporting healthcare. Not only did it address the immediate need for blood supply, but it also raised awareness and educated the community about the critical role of voluntary blood donation. The event served as a reminder that the act of donating blood is a collective responsibility, vital for supporting those in need within the community.
