COVID 19 AWARENESS CAMP AT PULIAMPATTI

EVENT REPORT

Name of Programme: COVID 19 Awareness Camp at Puliampatti

Date of Event: 15.08.2020

Place of Event: Puliampatti

Number of Volunteers: 20

Beneficiaries: The Beneficiaries of COVID-19 Awareness Camp event are Puliampatti area peoples.

Event Description:

The "COVID-19 Awareness Camp" held in Puliampatti on August 15, 2020, was a crucial and community-focused initiative aimed at raising awareness about the COVID-19 pandemic, disseminating essential health information, and promoting preventive measures to combat the virus's spread. This program exemplified the spirit of public health awareness, community engagement, and proactive efforts to protect the community during a global health crisis.

Program Activities and Highlights:

Health Education Workshops:

The core activity of the event featured health experts and medical professionals conducting workshops and information sessions on COVID-19 transmission, symptoms, preventive measures, and the importance of vaccination.

Distribution of Protective Gear:

Attendees received facemasks, hand sanitizers, and educational pamphlets to encourage the adoption of preventive practices, including mask wearing and hand hygiene.

Interactive Discussions:

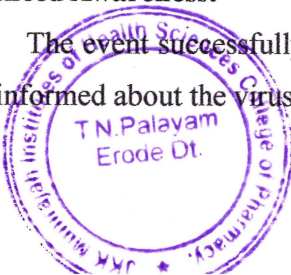

The program facilitated interactive discussions, allowing community members to ask questions and seek clarifications on COVID-19-related matters.

Program Outcome:

The COVID-19 Awareness Camp in Puliampatti on August 15, 2020, led to several significant outcomes:

Enhanced Awareness:

The event successfully raised awareness about COVID-19, ensuring that community members were well informed about the virus, its prevention, and the importance of vaccination.

Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Behavioural Change:

Attendees left the event with a renewed commitment to following preventive measures, such as mask-wearing, physical distancing, and hand hygiene, reducing the risk of virus transmission.

Community Engagement:

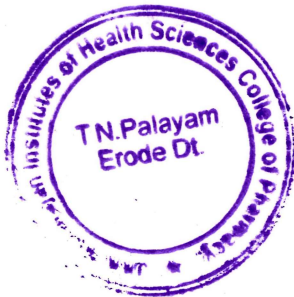

The program fostered community engagement and unity in the fight against the pandemic, emphasizing that preventing the spread of COVID-19 is a shared responsibility.

Promotion of Vaccination:

The campaign's efforts likely encouraged more individuals to be vaccinated against COVID-19, contributing to achieving herd immunity.

The "COVID-19 Awareness Camp" in Puliampatti on August 15, 2020, exemplified the community's dedication to public health and safety during the global pandemic. It not only disseminated vital information about COVID-19 but also motivated individuals to adopt preventive measures and be vaccinated. This event served as a reminder of the collective responsibility to protect the community's health and well-being during challenging times.
