(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

PROGRAM OUTCOMES:

1. **Effective Presentation Skills:** Students will learn how to create and deliver compelling presentations, using techniques such as storytelling, body language, and vocal modulation to engage their audience effectively.
2. **Overcoming Public Speaking Anxiety:** The Program will help students address and overcome the fear of public speaking, enabling them to approach speaking engagements with a sense of calm and control.
3. **Clarity and Impactful Messaging:** Students will gain insights into crafting messages that are clear, concise, and memorable, ensuring that their words resonate with their audience.
4. **Active Listening Skills:** Effective communication goes beyond speaking. Students will also learn the importance of active listening, which is crucial for understanding others and responding appropriately.
5. **Critical Thinking and Problem-Solving:** Through discussions and interactive exercises, students will develop critical thinking skills and learn how to construct well-reasoned arguments and responses.
6. **Career Advancement:** Improved communication skills are highly valued in the workplace. Students will be better prepared for job interviews, presentations, and leadership roles.
7. **Personal Growth:** Beyond academic and professional benefits, students will experience personal growth, increased self-awareness, and an expanded comfort zone.
