PROGRAM REPORT

The Five Days Faculty Development Program on the topic of “**CAREER DEVELOPMENT SOFT SKILL**” was conducted at JKK Munirajah Institute of Health Sciences College of Pharmacy, T.N. Palayam from 25.03.2019 to 29.03.2019.

The program began with welcome address followed by introduction of the speakers involved in the program. The FDP program was attended by faculties of JKKMIHSCP, T.N. Palayam.

The guest speakers gave suggestions about self-esteem, confidence and leadership skills. They also explain about leadership quality, self-management training, critical thinking and problem-solving methods. They also gave some suggestions about development of team work.

OUTCOMES:

Career Development Soft Skill program empowers the faculties to collaborate and work together in order to collectively meet goals and objectives. This FDP acquires the participants to improve their efficiency and heightened productivity. This program helps the participants to build self-esteem, confidence and leadership skills by the speaker's session. Through this FDP, participants will learn to define and frame a problem accurately, gather relevant and reliable information, use problem-solving methods such as brain storming and root cause analysis, select the best solution for a given problem, implement it, monitor its effectiveness and impact, and reflect on their own problem-solving process. The participants able to identify areas for improvement and learning. Speakers also explain about self-management training, development of team work, creativity, leadership quality, ability to work under pressure, analytical and aptitude training.

Finally, the session was ended with queries and we got the clarification about the topics. We felt very happy and grasped more knowledge about the topics.
