organized by Five Days Faculty Development Program on the topic of

"INNOVATIVE IMPACT ON THE PHARMACEUTICAL INDUSTRY AND EDUCATION"

EVENT REPORT

The Faculty Development Program on the topic of **"INNOVATIVE IMPACT ON THE PHARMACEUTICAL INDUSTRY AND EDUCATION"** has been organized by JKKMIHSCP, T.N. PALAYAM to all the faculty members from 05.08.2019 to 09.08.2019. The program began with welcome address followed by introduction of the speakers involved in the program.

The FDP was attended by faculties of JKKMIHSCP, T.N. Palayam.

The guest speakers gave knowledge about innovations in capsule filling machine and coating technology. The speakers also demonstrate the various packaging machines. The speaker also gave guidance to the participants about good distribution practices for pharmaceutical products to the end user. They also explain about the process of tablet punching machine.

OUTCOMES:

This session helped to gain the knowledge about pharmaceutical ingredients are filled with empty capsules. It gives the speed, quantity, efficiency, hands-off and variety of capsules in pharmaceutical industry. The session also helps to test the efficiency and safety of newly released drugs and oversee their development to ensure accurate production. The session helped to gain the knowledge about tactile improvement over raw materials, thicker product surface, resistance to corrosion and chemicals, also to learn about greater strength and durability, enhanced adhesion and improved electrical conductivity. The session can also help to know the extra functions such as date coding, leaflet insertion, etc., to be compatible with other packaging machinery in the packaging line. This session helps to learn about the processof removing microorganisms from a fluid stream without adversely affecting product, purporting to be sterile, shall be established and followed. This session helps to learn aboutthe most important contribution of microbiology in pharmaceutical industry that is the development of anti-biotics. This session helps to ensure the quality and identity of pharmaceutical products during all aspects of the distribution process.

Finally, the session was ended with queries and we got the clarification.

organized Five Days Faculty Development Program

"RESEARCH METHODOLOGY AND ADVANCED PEDAGOGIES IN EDUCATION"

EVENT REPORT

The Five Days Faculty Development Program on the topic of **"RESEARCH METHODOLOGY AND ADVANCED PEDAGOGIES IN EDUCATION"** was conducted at JKK Munirajah Institute of Health Sciences College of Pharmacy, T.N. PALAYAM from 20.04.2020 to 24.04.2020. The program was organized by Mrs. J. PRIYA, Associate Professor, Department ofPharmaceutical Chemistry, JKKMIHSCP, and T.N. Palayam.

The program began with welcome address followed by introduction of the speakersinvolved in the program.

The FDP was attended by faculties of JKKMIHSCP, T.N. Palayam.

The guest speakers gave suggestions about intellectual property rights, an art of writing research paper, systematic processes for conducting research studies. They also gave some knowledge about the innovative teaching approaches that enhances learning outcomes also the funding opportunities and writing research proposals.

OUTCOMES:

The primary outcome of this FDP was to enhance the faculty competencies in the area of pedagogy and research. The program was enriching and intellectually stimulating for the participating faculty. The speakers highlighted the role of integrative learning wherein technical knowledge on various aspects of pharmaceutical formulations such as chemistry, pharmacodynamics, pharmacokinetics, dosage form, design etc., They also highlighted the role of clinicians and medical professionals in writing research projects addressing needs in disease management. They were providing some knowledge about new age pedagogies, incorporating currency and conduct of patentable research. And finally, the speakers gave some lecturer on writing impactful proposals for research grant, outcome-based education andconducting commercially viable research towards development of affordable healthcare solutions.

Finally, the session was ended with queries and we got the clarification about the topics. We felt very happy and grasped more knowledge about the topics.
