MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

**JJK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY,
T.N. PALAYAM**

AND

THE ERODE COLLEGE OF PHARMACY, ERODE.

This MOU is entered into the date of 18/12/2019 by JJK Munirajah Institute of Health Sciences College of Pharmacy (hereinafter called JKKMIHSCP) situated at T.N. Palayam, Erode District (Tamil Nadu), an Institute of national importance established by special act of Parliament of Republic of India

and

The Erode College of Pharmacy, Erode (hereinafter called ECP), Pharmacy college affiliated to The Tamilnadu DR MGR Medical University, Chennai. The aforesaid Institutions are hereinafter referred to individually as institute and collectively as institutes.

[Signature]
Principal
JJK Munirajah Institute of Health Sciences
College of Pharmacy, T.N. Palayam,

JJK Munirajah Institute of Health Science
PRINCIPAL, College of Pharmacy, T.N. Palayam,
Gobi (Tk), Erode (Dt) - 638 506
Erode - 638 112.

5. Confidentiality:

a) The JKKMIHSCP and the ECP agree to hold in confidence all information/data designated by the institutes as being confidential which is obtained from either institute or created during the performance of the MOU and will not disclose the same to any third party without written consent of the other institute.

b) The above confidential clause under this MOU excludes the information/data possessed by either institute before entering into this MOU or independently developed and/or information already available through public domain.

6. Duration of MOU:

This MOU, unless extended by mutual written consent of the institutes, shall expire in 5 years after the effective date specified in the opening paragraph. However, on review, the MOU shall be extended for another one year by mutual consent.

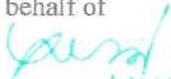

7. Intellectual Property Rights:

The intellectual property rights (IPR) that arise as a result of joint research and collaborative activity under the agreement will be worked out on a case to case basis and will be consistent with officially laid down IPR policies both the institutes.

9. Signed:

This MOU is executed being an official version and having legal validity. By signing below, the institutes, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

On behalf of

Principal 18/12/19

PRINCIPAL
The Trade College of Pharmacy
Erode - 638 012.

1. Objectives of the MOU

- a) To promote and enhance academic interest between JKKMIHSCP & ECP.
- b) To provide advice for implementation of quality of education at JKKMIHSCP & ECP
- c) To promote research/continuing education activities between Institutions.

2. Technical Areas of Collaboration:

- a) A Continuing Quality Improvement Programme to improve quality of teaching staff of ECP through short-term/long-term certificate courses at JKKMIHSCP. Faculty of JKKMIHSCP could also be sent to ECP for necessary guidance.
- b) Provide academic interaction by delivering Special Lectures at ECP on topics of relevance to modern Industry.
- c) Provide necessary help in Organizing Workshops/conferences and Personality Development Programmes at JKKMIHSCP for enhancement of skills in respect of Faculty, Staff and Students of ECP.
- d) Usage of academic infrastructure of JKKMIHSCP to ECP students and faculty members.
- e) To facilitate the training for teachers and PG students.
- f) Joint supervision of PG thesis as per The Tamilnadu DR MGR Medical University, Chennai.

3. Proposed Modes of Collaboration:

JKKMIHSCP and ECP propose to collaborate through the following:

- a) Cooperation and promotion of education and training in areas of mutual interest.
- b) Any other appropriate mode of interaction agreed upon between JKKMIHSCP and ECP. A specific plan will be worked out by the institutes depending upon availability of resources. A specific agreement will be entered into for each activity.

4. Terms and Conditions:

- a) For continuing education to ECP teachers and students, the financial arrangements will be made as per mutually agreed terms.
- b) The faculty members and students of ECP can use the library facility of JKKMIHSCP for short-time.
- c) Both institutes agree to help, identify and invite the faculty members and researchers from the other institutes to participate in conferences, workshops and short-term courses.
- d) This MOU may be amended, renewed and terminated by mutual written agreement of the institutes at any time.
- e) Either Institute shall have the right to terminate this MOU upon 60 days prior written notice to the other Institute.

CIRCULAR

This is to inform all students and faculties that the Department of Pharmacology is Organizing a seminar on "*Pharmacology Research in the Global Context: Methodological Considerations for Cross-Cultural Studies*" to be held on 03/03/2023, 10.00 AM at seminar hall.

Resource Person:

DR. G. SUMITHIRA, M. Pharm., Ph. D.,
Professor,
Department of Pharmacology,
Erode College of Pharmacy, Erode.

&

Mr. G.M. SIVAKUMAR, M. Pharm.,
Associate Professor,
Department of Pharmacology,
JKKMIHSCP, T N Palayam.

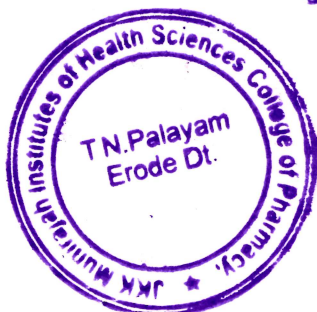

Interested staff and students are directed to enroll through event co-ordinator

Department of Pharmacology

**Seminar on Pharmacology Research in the Global Context: Methodological Considerations for
Cross-Cultural Studies**

RESOURCE PERSON PROFILE

Mr. G.M. SIVAKUMAR, M. Pharm.,
Associate Professor,
Department of Pharmacology,
JKKMIHSCP, T N Palayam.

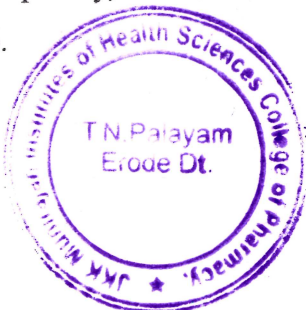

Mr. G.M. Sivakumar is a seasoned pharmaceutical expert with a profound understanding of pharmaceutical sciences, drug manufacturing, and quality control. His extensive background in the field spans various domains, highlighting his versatility and expertise.

With eight years of teaching and education experience, Mr. Sivakumar has served as a lecturer and associate professor in several pharmacy colleges. This extensive teaching background underscores his ability to effectively impart knowledge and mentor students in the pharmacy field, contributing to the growth of future pharmaceutical professionals.

In terms of production and manufacturing, Mr. Sivakumar has a robust foundation. His roles as a Production Chemist in Medibest Pharma Pvt Ltd and Global Remedies Pvt Ltd provided him with hands-on experience in pharmaceutical production and manufacturing processes, enriching his practical knowledge.

Additionally, Mr. Sivakumar boasts computer proficiency, holding a diploma in Computer Science. This qualification attests to his adeptness in utilizing technology for various tasks and data management, a valuable skill in today's pharmaceutical landscape.

His work history includes positions as a Production Chemist at Medibest Pharma Pvt Ltd and Global Remedies Pvt Ltd from 1997 to 1999, showcasing his early career experience in pharmaceutical production. Subsequently, he transitioned to the retail sector, serving as a Pharmacist at Sri Indira Medicals from 1999 to 2006.

Principal
JKK Munirajah Institute of Health Sciences
College of Pharmacy, T.N.Palayam,
Gobi (Tk), Erode (Dt) - 638 506

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

In the realm of teaching, Mr. Sivakumar's journey began as a Lecturer at Shoba College of Pharmacy, Kangeyam, in 2006. He continued to hone his teaching skills at Tirupur Kalimangal College of Pharmacy from 2008 to 2015, followed by Karpagam College of Pharmacy, Coimbatore, where he served as a Lecturer from 2015 to 2017.

Currently, he holds the position of Associate Professor at JKKMIHS College of Pharmacy, T.N. Palayam, Erode District, where he has been contributing his expertise since 2017.

In addition to his extensive professional experience, Mr. Sivakumar holds academic qualifications that underscore his commitment to continuous learning. He completed his M. Pharm at Cherraan's College of Pharmacy, Komarapalam, in 2014, achieving an impressive score of 68.7%. His B. Pharm degree, earned from J.K.K. Nataraja College of Pharmacy, Komarapalam, in 1996, reflects his dedication to the field, and he passed with distinction. His academic journey began with Hr. Sec School at Municipal Hr. Sec. School, Gobi, in 1991, followed by his S.S.L.C from Diamond Jubilee Hr. Sec. School, Gobi, in 1989.

Mr. G.M. Sivakumar's multifaceted career in pharmaceutical education, production, and retail, combined with his commitment to continuous learning, positions him as a respected and knowledgeable pharmaceutical expert. His diverse experiences contribute to the enrichment of the pharmacy field, making him an invaluable asset to the industry.

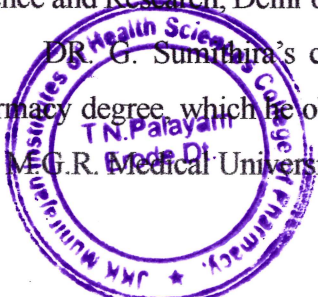

DR. G. SUMITHIRA, M. Pharm, Ph.D

Professor,

Erode College of Pharmacy, Erode.

DR. G. Sumithira is a highly accomplished pharmaceutical expert with an impressive academic and professional background in pharmacology. His educational journey is marked by notable achievements, including a Doctor of Philosophy (Pharmacology) from the Department of Pharmacology at Pacific University, Udaipur, Rajasthan. Prior to this, he earned his Master of Pharmacy (Pharmacology) from Delhi Institute of Pharmaceutical Science and Research, Delhi University, achieving first-class performance in 2006.

DR. G. Sumithira's commitment to academic excellence is further underscored by his Bachelor of Pharmacy degree, which he obtained from Kovai Medical Centre and Hospital, affiliated with The Tamil Nadu Dr. M.G.R. Medical University, Chennai, in October 2001.

Principal

**JKK Munirajah Institute of Health Sciences
College of Pharmacy, T.N.Palayam,
Gobi (Tk), Erode (Dt) - 638 506**

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thoosanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

During his undergraduate years, he demonstrated strong academic prowess, graduating with a commendable 69% performance.

Additionally, DR. G. Sumithira holds a Diploma in Pharmacy from K.M.R. College of Pharmacy, Perundurai, Erode, TamilNadu, which he completed in 1996 with a similar 69% performance.

DR. G. Sumithira's academic journey is a testament to his dedication to the field of pharmacology, and his educational qualifications equip him with a solid foundation in pharmaceutical sciences.

Furthermore, DR. G. Sumithira has actively contributed to the field through his research endeavors. His notable research projects include "Antidiabetic & Antioxidant Potentials of some medicinal plants on Streptozocin-Induced diabetic Rats," "Development of matrix type TDD systems of Carvedilol and Hydrochlorothiazide and its Pharmacokinetic and Pharmacodynamic Evaluation in animals," and "Spectrophotometric analysis of lacidipine in bulk and its dosage form." These projects reflect his commitment to exploring the therapeutic potentials of medicinal plants and advancing drug delivery systems.

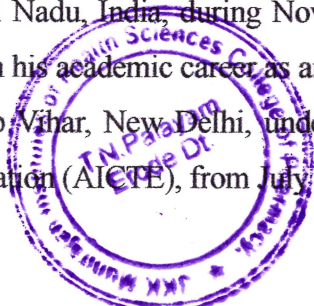

In addition to his academic and research achievements, DR. G. Sumithira has a strong background in computer applications, holding a Post Graduate Diploma in Computer Application from Intelligence for Generating Advanced Computer Education, Mahalingapuram Chennai, where he achieved an 'A' grade in 2002.

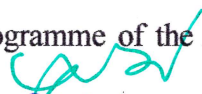

DR. G. Sumithira has an impressive professional history, currently serving as a Professor at The Erode College of Pharmacy & Research Institute since July 2013. In this role, he imparts knowledge in Human Anatomy & Physiology to Pharm D students, Pharmacology to B. Pharm students, and Pharmacological and Toxicological screening methods to M. Pharmacy students.

Prior to this, he worked as an Assistant Professor at MSSIST-College of Pharmacy, Vijayawada, Andhra Pradesh, India, from January 2010 to July 2013. Here, he taught Advanced Pharmacology to final-year students and Physiology & Health Education to second-year undergraduate students while also guiding postgraduates in pharmacological studies.

DR. G. Sumithira extensive teaching experience also includes roles as a Senior Lecturer in Erode College of Pharmacy, Erode, India, from July 2008 to December 2008, where he taught clinical pharmacology to undergraduate students. He also served as a Senior Lecturer in Alwar College of Pharmacy, Alwar, Rajasthan, India, from March 2007 to November 2007, where he was responsible for teaching and overseeing the animal house.

Before that, DR. G. Sumithira worked as a Guest Lecturer in KMR College of Pharmacy-Perundurai, Tamil Nadu, India, during November 2007 and July 2008, delivering lectures in Anatomy & Physiology. He began his academic career as an Honour Lecturer in Delhi Institution of Pharmaceutical Sciences and Research, Pushp Vihar, New Delhi, under the Quality Improvement Programme of the All-India Council of Technical Education (AICTE), from July 2004 to November 2006.

Principal

JKK Munirajah Institute of Health Sciences

JKK MUNIRAJAH INSTITUTE OF HEALTH SCIENCES COLLEGE OF PHARMACY

(Approved by Tamil Nadu Govt. & Pharmacy Council of India - New Delhi, Affiliated to The Tamil Nadu Dr. M.G.R Medical University, Chennai)
Thookanaickenpalayam, Gobichettipalayam (TK), Erode (DT) - 638506, Tamil Nadu.

Furthermore, DR. G. Sumithira has gained practical experience in the pharmaceutical industry, serving as a Dispensing Pharmacist in Kovai Medical Centre and Hospital (KMCH), Coimbatore, Tamil Nadu, from March 1997 to October 1997. He also underwent three months of pharmacist training in the dispensary of Government Hospital, Erode, Tamil Nadu, to enhance his practical skills.

Throughout his academic and professional journey, DR. G. Sumithira has contributed significantly to the field of pharmacology and pharmaceutical sciences. His research work is marked by a series of publications in reputed journals, covering a wide range of topics such as neuroprotection, antidiabetic activity, and nephroprotection. Notable publications include papers on the neuroprotective effects of *Mallotus Phillippensis* extract, the anticataleptic and antiepileptic activity of *Morinda Reticulate*, and the antioxidant and antihyperlipidemic activity of *Maytenus heyneana* root, among others.

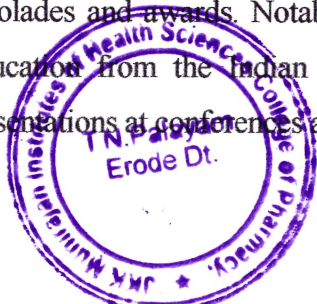

His contributions to the scientific community extend to presentations at national and international conferences. DR. G. Sumithira has presented his research findings through posters and oral presentations at various conferences, furthering the dissemination of scientific knowledge. Notable presentations include those on the GC-MS spectra and in-vitro anticancer activity of Indian medicinal plants against lung cancer cell lines, as well as evaluations of various plant extracts for their antidiabetic and antioxidant potential.

DR. G. Sumithira's involvement in academic and research activities is complemented by his commitment to professional organizations. He is a registered pharmacist under the Tamil Nadu Pharmacy Council (Registration Number: 21459A2) and holds memberships in esteemed professional societies, including the Indian Pharmacological Society, the Indian Society for Technical Education, and the Association of Pharmaceutical Teachers of India.

In his research and academic pursuits, DR. Sumithira has developed expertise in various areas of pharmacology and pharmaceutical sciences. His skills encompass pharmacological and toxicological screening, clinical trials, molecular pharmacological screening, and the development of nanotechnology drug delivery systems. He has also engaged in the investigation of gene expression patterns in diseased cells, contributing to the advancement of genomics and proteomics in pharmaceutical research.

DR. G. Sumithira's passion for education is evident in his roles as a paper evaluator and question paper setter for various academic institutions and universities, ensuring the quality of education and assessment in pharmacy-related subjects.

In recognition of his outstanding contributions to the field, DR. G. Sumithira has received several accolades and awards. Notable among these are the Jewel of India Award for Outstanding Achievements in Education from the Indian Solidarity Council, New Delhi, in 2014, and various prizes for his research presentations at conferences and congresses.

REPORT ON THE SEMINAR

Title: Pharmacology Research in the Global Context: Methodological Considerations for Cross-Cultural Studies

Date: 03/03/2023

Resource Person: DR. G. SUMITHIRA, M. Pharm., Ph. D., & Mr. G.M. SIVAKUMAR, M. Pharm.,

Event Coordinator: Dr. S. Navaneethakrishnan, Pharm. D.,

Total Participant(s): 79

Description of the program:

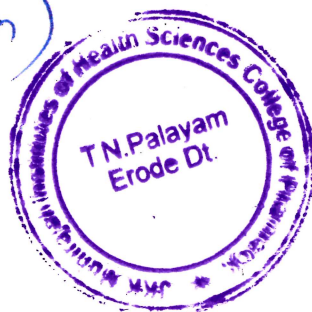

The "Pharmacology Research in the Global Context: Methodological Considerations for Cross-Cultural Studies" event, which unfolded on 03/03/2023, stood as a remarkable achievement. This enlightening gathering brought together individuals with a profound interest in the intricacies of conducting pharmacological research across diverse cultural landscapes. Attendees, keen to explore the complexities of cross-cultural studies in pharmacology, were treated to an insightful session guided by distinguished experts.

Program Outcome:

The event engendered several significant outcomes. Participants departed with an enhanced understanding of the methodological intricacies involved in conducting pharmacological research within a global context, considering cultural nuances. The insights shared by expert speakers provided practical guidance on navigating these complexities, fostering a more nuanced and impactful approach to global pharmacology research. Furthermore, the event cultivated a vibrant forum for networking and collaboration, fostering connections that may lead to future collaborative cross-cultural research initiatives in pharmacology. In summary, "Pharmacology Research in the Global Context: Methodological Considerations for Cross-Cultural Studies" left a lasting impact, equipping attendees with the knowledge and cultural sensitivity required to excel in the realm of global pharmacological research.
